Dear Mr. Drori,

It is with great pleasure and admiration that we present to you the “Shining World Leadership Award.” This Award recognizes your outstanding efforts to protect our animal friends, as well as, your enlightened leadership in creating a brighter future for all humanity and animals through your exemplary heroic acts which serve as a beacon of unity among all sentient beings.

We all benefit from your ongoing dedication of time and resources to help rescue animals and educate the public at large about wildlife conservation. All beings are God’s creation, thus a truly noble and rich society is one that has a compassionate culture demanding high standards of animal welfare. Your story has inspired others and has sparked a priceless transformation in the hearts and minds of many. The Last Great Ape Organization serves as the voice of justice for all animals – our co-inhabitants – who are truly grateful for your numerous acts of kindness. You, along with your devoted co-founders and team members, have brought hope and happiness to souls around the world. May blessings continue to shower upon you, your expanded “family” and your future endeavours; and may you continue to provide our animal companions with the opportunity for a happier and healthier life.

For passionately advocating cruelty-free customs on behalf of animals, for publicizing compassionate living concepts, for protecting endangered species and for being a dedicated and munificent role model for all humankind, we hereby applaud and celebrate the noble deeds of Mr. Ofir Drori, animal rights crusader extraordinaire.

With Great Honour, Love and Blessings,

The Supreme Master Ching Hai
